

## **POLICY OFFICER**

The Pastoralists' and Graziers' Association is a member-funded not-for-profit organisation representing the rural industry and is at the forefront of industry reform in Western Australia. The Association requires an enthusiastic, self motivated person to complete its team of professional staff representing rural producers.

The successful application will be required to:

- Co-ordinate and provide executive support
- Liaise with state and national organisations
- Assist in the research, development and implementation of policy
- Negotiate with Government at various levels
- Represent Association at industry forums

Knowledge of the agricultural industries is required along with an understanding of the issues currently facing the pastoral & agricultural industry. Formal qualifications in commerce or agribusiness would be an advantage.

This challenging position requires some country travel.

Applications marked "Confidential" and detailing experience and qualifications should be forwarded to -

The President  
PGA of WA (Inc.)  
277 Great Eastern Highway, Belmont WA 6104

Applications close 1<sup>st</sup> Feb 2010
