HVO 11-2012

Air Show at RAAF Pearce Base

Great Northern Highway, Bullsbrook

Saturday 19 and Sunday 20 May 2012

Main Roads WA advises the transport industry that the Royal Australian Air Force (RAAF) will be holding an Air Show at the Pearce Base on the weekend of 19 and 20 May 2012.

It is anticipated that up to 30,000 spectators will attend the show each day. Due to the location there are unfortunately no detours available for heavy vehicle operators. Significant traffic congestion on Great Northern Highway and associated lengthy delays may occur.

To assist the overall traffic management for this event, Main Roads WA supported by the City of Swan, the WA Police and the RAAF are restricting the movement of loads in excess of 5.5 metres wide or requiring a Police Escort, on Great Northern Highway between Roe Highway and Rutland Road for the two days of this event.

Operators are urged to plan ahead for this event and make alternate arrangements.

Industry cooperation is appreciated.

Period

The Base gates open to the public at 7:00am each day and close at 6:00pm. However, traffic congestion associated with this event may be experienced throughout the Show.

Contact

Main Roads on (08) 9311 8450.

Cancellation

This HVO Update will self-cancel on Monday 21 May 2012.
