HVO 22-2012

Works on South Dale River Bridge (#4863), York-Williams Road, Brookton

Main Roads Western Australia would like to advise the transport industry that refurbishment works will be conducted on South Dale River Bridge (#4863), on the York-Williams Road, Brookton.

Period

Works will commence on Monday 19 March 2012 and continue through to Friday 13 April 2012.

The site hours are 7:00am to 5:30pm daily.

Conditions

The road will be reduced to one lane controlled by traffic signals.

Operators transporting oversize loads wider than 3.0 m and / or lower than 1.2 m ground clearance, **must seek an alternate route** as access will not be suitable.

Contact

Site supervisor, Kevin Jones, 0408 990 409.

Cancellation

This HVO Update will self-cancel when the works are complete.
