### UPDATE

Our reference: **D12#100268**

**HVO 34-2012**

## Gascoyne Region Road works – North West Coastal Highway, south of Nanutarra, Shire of Ashburton (April/May 2012)

Main Roads Western Australia advises the transport industry that works are currently being performed on North West Coastal Highway, south of Nanutarra.

#### Period

The works will be in place until mid May 2012.

#### Conditions

Traffic management is in place with speed restrictions and a single lane is available. Road users are requested to follow the directions of the traffic controllers.

Operators transporting oversize loads wider than 3.0 metres must have a minimum ground clearance of 1.2 metres and contact the site supervisor **at least 24 hours prior** to their proposed move to ensure that their load can be accommodated.

Vehicles with ground clearance less than 1.2 metres, or vehicles that have more than 3.0 metres ground contact width, **must seek an alternate route** as access will not be suitable.

#### Contact

Site supervisor, James Lawrence, 0861 037 334 (satellite phone).  
Additional site contact, Luke Ertzen, 0467 777 642.

The site will be using UHF channel 40.

#### Cancellation

This HVO Update will self-cancel when the works are complete.
