UPDATE

Our reference: **D12#138010**

HVO 40-2012

Pilbara Region Road and bridge works – Great Northern Highway, South of Hamilton Road, South Hedland (May 2012 – January 2013)

Main Roads Western Australia advises the transport industry that works are currently being performed on Great Northern Highway, South of Hamilton Road, South Hedland.

Period

These works will be in place until January 2013.

Conditions

Traffic Management is in place with speed restrictions and consists of single lane closure during daylight hours. Road users are requested to follow direction of the traffic controllers.

Operators transporting oversize loads wider than 5.0 metres must contact the Traffic Supervisor at **least 24 hours prior** to their proposed move to ensure that their load can be accommodated.

Contact

Traffic Supervisor, Jarryd Mann, 0407 918 819
Site Superintendent, Craig Frost, 0417 925 961.

Cancellation

This HVO Update will self-cancel when the works are complete.
