UPDATE

Our reference: **D12#356444**

HVO 87-2012

Pilbara Region Road works on Great Northern Highway, 30 km North West of Newman, Shire of East Pilbara

Main Roads Western Australia advises the transport industry that works are being performed on Great Northern Highway, 30km North West of Newman, in the Shire of East Pilbara.

Period

The works are currently in place and will continue until 6 December 2012.

Conditions

Traffic management is in place.

Operators transporting loads wider than 7.0 metres must have a **minimum ground clearance of 1.2 metres** and contact the site supervisor **48 hours prior to departure** to ensure the load can be accommodated.

Contact

Site Supervisor: Travis Hincks: (08) 9324 6293 or 0433 693 907.
Project Engineer: Nigel Scott: (08) 9205 0446.

Cancellation

This HVO Update will self-cancel when the works are complete.
