CALTEX
National Truck Network

At Caltex, we are dedicated to providing you with the best refuelling solutions in the market. That's why we've built the largest Transport Diesel Refuelling Network in Australia. With over 200 dedicated sites across the nation, and more coming online next year, saving time and money when refuelling has never been simpler.

This useful guide provides the location and features of every site in the Caltex National Truck Network.

We hope you enjoy our wide range of products, facilities and the added benefits from Caltex Star Cards - They are all designed to keep you moving safely and efficiently.

We value your feedback at 1 800 240 398 or cfg@caltex.com.au
